

# No Fuss Cowl

A minimalist loop cowl to wear long or wrapped around

## Materials:

- 100g Perran Yarns DK Wool Cotton or similar DK yarn with approx. 212m/232yd per 100g
- 4.5mm (US 7) crochet hook

## Finished Size:

Approx. 122cm/48in around by 10cm/4in deep.

**Note:** The sizing is only an estimate and does not need to be exact. The cowl may be made larger by using a thicker yarn and larger crochet hook, or smaller by using a thinner yarn and smaller crochet hook. Using a DK yarn with longer metrage will result in a wider cowl.

## Abbreviations: UK notation (US notation in brackets)

ch:	chain	st(s):	stitch(es)
sl st:	slip stitch	htr:	half treble (hdc – half double crochet)

## Tension/Gauge:

10cm = 7 clusters wide x 8 rows deep

## Construction:

Cowl is worked seamlessly in rounds, first in one direction then the other, in clusters of 2htr stitches

## Instructions:

1. Foundation chain – Ch169, do not join yet!
2. Work 2htr into 3rd ch from hook, \*skip 1ch, 2htr in next ch; repeat from \* to end, sl st to top of 2ch before first htr to join, ensuring there are no twists, turn
3. Ch2 (stands as first htr), work 1htr into gap below, \* skip next 2htr cluster, 2htr into gap before next 2htr cluster; repeat from \* to end, sl st to top of first ch2 to join, turn
4. Repeat step 3 for another 15 rounds (or until there is not enough yarn left to complete a round)
5. Pull yarn through last st to finish
6. Cut yarn and sew in ends, using initial end to sew start and end of foundation chain together
